incidents in the life of a slave girl is the immensely powerful autobiography of harriet jacobs who wrote under a pen name a feminist work she uses her experiences to state and restate her belief that though all unhappiness sprung from being a slave she had to endure worse being also a woman her experiences show that the only refuge and relief to be found were in other women and also that women were less able to attempt freedom when that would mean leaving their children behind her autobiography is the account of her struggle to achieve that freedom and respect and redefine herself her life is a testament to her grandmother s credo he that is willing to be a slave let him be a slave

the present is i believe the first complete translation of the great arabic compendium of romantic fiction that has been attempted in any european language comprising about four times as much matter as that of galland and three times as much as that of any other translator known to myself and a short statement of the sources from which it is derived may therefore be acceptable to my readers three printed editions more or less complete exist of the arabic text of the thousand and one nights namely those of breslau boulac cairo and calcutta 1839 besides an incomplete one comprising the first two hundred nights only published at calcutta in 1814 of these the first is horribly corrupt and greatly inferior both in style and completeness to the others and the second that of boulac is also though in a far less degree incomplete whole stories as for instance that of the envier and the envied in the present volume being omitted and hiatuses varying in extent from a few lines to several pages being of frequent occurrence whilst in addition to these defects the editor a learned egyptian has played havoc with the style of his original in an ill judged attempt to improve it producing a medley more curious than edifying of classical and semi modern diction and now and then in his unlucky zeal completely disguising the pristine meaning of certain passages the third edition that which we owe to sir william macnaghten and which appears to have been printed from a superior copy of the manuscript followed by the egyptian editor is by far the most carefully printed and edited of the three and offers on the whole the least corrupt and most comprehensive text of the work i have therefore adopted it as my standard or basis of translation and have to the best of my power remedied the defects such as hiatuses misprints doubtful or corrupt passages etc which are of no infrequent occurrence even in this the best of the existing texts by carefully collating it with the editions of boulac and breslau to say nothing of occasional references to the earlier calcutta edition of the first two hundred nights adopting from one and the other such variants additions and corrections as seemed to me best calculated to improve the general effect and most homogeneous with the general spirit of the work and this so freely that the present version may be said in great part to represent a variorum text of the original formed by a collation of the different printed texts and no proper estimate can therefore be made of the fidelity of the translation except by those who are intimately acquainted with the whole of these latter even with the help of the new lights gained by the laborious process of collation and comparison above mentioned the exact sense of many passages must still remain doubtful so corrupt are the extant texts and so incomplete our knowledge as incorporated in dictionaries etc of the peculiar dialect half classical and half modern in which the original work is written one special

feature of the present version is the appearance for the first time in english metrical shape preserving the external form and rhyme movement of the originals of the whole of the poetry with which the arabic text is so freely interspersed this great body of verse equivalent to at least ten thousand twelve syllable english lines is of the most unequal quality varying from poetry worthy of the name to the merest doggerel and as i have in pursuance of my original scheme elected to translate everything good and bad with a very few exceptions in cases of manifest mistake or misapplication i can only hope that my readers will in judging of my success take into consideration the enormous difficulties with which i have had to contend and look with indulgence upon my efforts to render under unusually irksome conditions the energy and beauty of the original where these qualities exist and in their absence to keep my version from degenerating into absolute doggerel
