this edited collection brings together international scholars and filmmakers with research

expertise across a range of non western film cultures but who have one shared aim to challenge and offer alternatives to eurocentric theoretical historical perspectives in film studies

an illuminating study of the life and work of györgy ligeti one of the best loved and most original composers of our time for 50 years györgy ligeti has pursued a boldly independent and uncompromising course yet his music is widely loved and admired ever since stanley kubrick's unsanctioned use of his music on the soundtrack of 2001 a space odyssey interest in ligeti has extended far beyond the classical domain he is the only living composer whose complete output including juvenilia is being systematically issued on cd published to coincide with the composer's eightieth birthday richard steinitz's compelling new book is both an illuminating study of the music and its associative ideas drawn from literature theatre the visual arts fractal mathematics ethnic cultures and other maverick composers and of ligeti the man ligeti has confided in steinitz a mass of previously unknown biographical information the result is an astonishing account of his early upbringing in romania of his terrifying yet surreal experiences in the war and of his difficulties attempting to forge an identity as a young composer under repressive censorship in communist hungary before his dramatic escape to the west in 1956 the story continues via ligeti's association with the western avant garde and his increasingly masterful sequence of highly individual compositions which steinitz brings vividly to life through informative commentaries as well as through the composer's own words

comprehensive in scope this book covers the basics as well as the refinements of writing for the symphony orchestra the band and the string orchestra the author approaches orchestration in the most practical manner from both the historical and the contemporary viewpoints indicating that there are no rules only preferences he focuses on the difficulties of instrumental performance

and emphasizes the things to avoid when writing for instruments what's more he offers practical recommendations based on his personal experiences both as a conductor and orchestral player featuring numerous practical examples this book will prove an invaluable guide for those involved in orchestration

this book tells how hammer films commissioned composers at the cutting edge of european musical modernism to write their movie scores introducing the avant garde into popular culture via the enormously successful venue of horror film each chapter addresses a specific category of the avant garde musical movement provided by publisher

simon reynolds's first book in eight years is a celebration of music that feels like a taste of tomorrow sounds that prefigure pop music's future the vanguard genres and heroic innovators whose discoveries eventually get accepted by the wider mass audience but it's also about the way music can stir anticipation for a thrillingly transformed world just around the corner a future that might be utopian or dystopian but at least will be radically changed and exhilaratingly other starting with an extraordinary chapter on giorgio moroder and donna summer taking in illuminating profiles of ryuichi sakamoto boards of canada burial and daft punk and arguing for auto tune as the defining sound of 21st century pop futuromania shapes over two dozen essays and interviews into a chronological narrative of machine music from the 1970s to now reynolds explores the interface between pop music and science fiction's utopian dreams and nightmare visions always emphasising the quirky human individuals abusing the technology as much as the era defining advances in electronic hardware and digital software a tapestry of the scenes and subcultures that have proliferated in that febrile sexy and contested space where man meets machine futuromania is an enthused listening guide that will propel

readers towards adventures in sound there is a lifetime of electronic listening here
