redefines the great canon of american poetry from its origins in the 17th century right up to the present

donald allen s prophetic anthology had an electrifying effect on two generations at least of american poets and readers more than the repetition of familiar names and ideas that most anthologies seem to be about here was the declaration of a collective intelligent and thoroughly visionary work in progress the primary example

for its time of the anthology as manifesto its republication today complete with poems statements on poetics and autobiographical projections provides us again with a model of how a contemporary anthology can and should be shaped in these essentials it remains as fresh and useful a guide as it was in 1960 jerome rothenberg editor of poems for the millennium the new american poetry is a crucial cultural document central to defining the poetics and the broader cultural dynamics of a particular historical moment alan golding author of from outlaw to classic canons in american poetry

albert gelpi's american poetry after modernism is a study of sixteen major american poets of the postwar period from robert lowell to adrienne rich gelpi argues that a distinctly american poetic tradition was solidified in the later half the twentieth century thus severing it from british conventions

challenging the common perception of poets as standing apart from the mainstream of american culture robert von hallberg gives us a fresh and unpredictable assessment of the poetry that has come directly out of the american experience since 1945 who reads contemporary american poetry more people than were reading new poetry in the 1920s von hallberg shows how do poets respond to the public preoccupations of their readers often with fascination von hallberg put the poems of robert creetey and john ashbery together with the postwar outburst of systems analysis the 1950s tourist poems of john hollander adrienne rich w s merwin and james merrill are treated as the cultural side of america's postwar rise to global political power there are chapters on the political poems of the 1950s and 1960s and on robert lowell's sympathy for the imperialism of his liberal contemporaries poems of the 1970s on pop culture especially edward dorn's slinger and some from the suburbs of the 1980s are shown to reflect a curious peace between the literary and the mass cultures
